THE MILLION-COPY GLOBAL BESTSELLER - BASED ON THE LIFE-CHANGING TED TALK! WHAT READERS ARE SAYING ABOUT START WITH WHY: 'It's amazing how a book can change the course of your life, and this book did that' Reader Review 'Imagine the Ted Talk expanded to 2 hours long, with more depth, intrigue and examples' Reader Review 'What he does brilliantly is demonstrate his own why - to inspire others - throughout' Reader Review 'Wow. Wow. Wow. I cannot rate this book highly enough to take a different, positive approach to life and work' Reader Review Discover your purpose with one simple question: why? Why are some people more inventive, pioneering and successful than others? And why are they able to repeat their success again and again? Because it doesn't matter what you do, it matters WHY you do it. Those who have had the greatest influence in the world all think, act, and communicate in the same way - and it's the opposite to most. In Start with Why, Simon Sinek uncovers the fundamental secret of their success - understanding their WHY - to help you find your own. How you lead, inspire, live, it all starts with why. ***** 'This book is so impactful, I consider it required reading' Tony Robbins, bestselling author of Awaken The Giant Within 'One of the most useful and powerful books I have read in years' William Ury, co-author of Getting to Yes Sometimes a secret is too big to hide... Jen is a trainee journalist working on Chester's local paper, dreaming of something bigger. Her sister, Helen, is beautiful but damaged, and hides a secret that has affected the whole family, one they cannot escape but one she is trying to move on from. As Helen learns to become a whole person once again, her family struggles with the past, and how they will move forward together. And Jen realises that the one person she needs to help her through is the one person she cannot have - Helen's boyfriend, Ned... Praise for Kate Long: 'A storyteller in the Joanna Trollope league, Long writes astutely and comically about the complexities of motherhood' Independent 'Warm, witty and wise' Red 'One of the authors that I rush out to buy straight away. I find her work challenging, witty, fresh and real' Adele Parks One of TIME's Ten Best Nonfiction Books of the Decade "Meet the new Stephen Hawking . . . The Order of Time is a dazzling book." --The Sunday Times From the bestselling author of Seven Brief Lessons on Physics, Reality Is Not What It Seems, and Helgoland, comes a concise, elegant exploration of time. Why do we remember the past and not the future? What does it mean for time to "flow"? Do we exist in time or does time exist in us? In lyric, accessible prose, Carlo Rovelli invites us to consider questions about the nature of time that continue to puzzle physicists and philosophers alike. For most readers this is unfamiliar terrain. We all experience time, but the more scientists learn about it, the more mysterious it remains. We think of it as uniform and universal, moving steadily from past to future, measured by clocks. Rovelli tears down these assumptions one by one, revealing a strange universe where at the most fundamental level time disappears. He explains how the theory of quantum gravity attempts to understand and give meaning to the resulting extreme landscape of this timeless world. Weaving together ideas from philosophy, science and literature, he suggests that our perception of the flow of time depends on our perspective, better understood starting from the structure of our brain and emotions than from the physical universe. Already a bestseller in Italy, and written with the poetic vitality that made Seven Brief Lessons on Physics so appealing, The Order of Time offers a profoundly intelligent, culturally rich, novel appreciation of the mysteries of time. THE INTERNATIONAL BESTSELLER 'A book that could actually make us happy' SIMON AMSTELL 'This amazing book will change your life' ELTON JOHN 'One of the most important texts of recent years' BRITISH JOURNAL OF GENERAL PRACTICE 'Brilliant, stimulating, radical' MATT HAIG 'The more people read this book, the better off the world will be' NAOMI KLEIN 'Wonderful' HILLARY CLINTON 'Eye-opening' GUARDIAN 'Brilliant for anyone wanting a better understanding of mental health' ZOE BALL 'A game-changer' DAVINA MCCALL 'Extraordinary' DR MAX PEMBERTON 'Beautiful' RUSSELL BRAND Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. Lost Connections offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions – ones that offer real hope. Gary Smalley explains a woman's deepest needs, shows a man how to meet those needs, and gives ten simple steps to strengthen any marriage. He helps men to understand not only how to respond to a woman's feelings, but also how to make her feel important. Using humorous and touching illustrations from his own life, as well as case histories and biblical examples, Gary Smalley maps a blueprint to a better marriage. That's how she became student body president. Varsity soccer star. And it's how she'll get into Stanford. But she's never had a boyfriend. In fact, she's a disaster at romance, a clumsy, stammering humiliation magnet whose botched attempts at flirting have become legendary with her friends. So when the hottest human specimen to have ever lived walks into her life one day, Desi finds guidance in the Korean dramas her father has been obsessively watching for years—where the hapless heroine always seems to end up in the arms of her true love by episode ten. It's a simple formula, and Desi is a quick study. Armed with her "K Drama Steps to True Love," Desi goes after the moody, elusive artist Luca Drakos—and boat rescues, love triangles, and staged car crashes ensue. But when the fun and games turn to true feels, Desi finds out that real love is about way more than just drama. A Margaret Ferguson Book (Piano Vocal). Naomi's heart has broken twice in her life—once when her mother drowned, and again when her best friend Keane moved away in ninth grade. Only Keane understood Naomi's grief at losing her mom, and when he left, he took a piece of her heart. When Keane unexpectedly returns after twelfth grade ends, Naomi's anxiety and overwhelming emotions about their history spill over. If she can just admit her feelings for him, they could be her ticket out of her past memories. Yet as Keane becomes increasingly attentive, making Naomi more nervous than ever, he puts cracks in her determination to leave their small seaside town. Will she overcome her fears by the end of the summer? "SOMEWHERE ONLY WE KNOW was a thrill-seeker for me—full of mystery, drama, and love. Like most Callaway novels, Barbara keeps you reading until the end. 5 STARS!" Ashley Firefighter Burke Callaway has been living in the shadows since the tragic death of his fiancée. He had no interest in coming out of the dark, until the beautiful and unpredictable Maddie came back to town. Maddie Heller is the ultimate free spirit, her love of life and cooking taking her all over the globe, and only a few people know that her easy smile covers a personal tragedy. With a new job offer in San Francisco, Maddie thinks it might be time to stay in one place, especially when she runs into Burke again. Burke was the handsome, sexy hero of her youth who could do no wrong. Maddie was the pretty, fun-loving girl of his youth who loved to break the rules. They were opposites in every way, but there was always a connection. It was just never the right time or the right place—until maybe now. But their budding love story suddenly takes a dangerous turn, and a series of escalating incidents makes them realize that falling in love might not just be terrifying but also deadly. Don't miss this emotional, drama-filled novel of firefighters, secrets, and second chances from #1 New York Times Bestselling Author Barbara Freethy! What the readers are saying... "Opposites attract in SOMEWHERE ONLY WE KNOW! Compelling story, believable characters, enjoyable dialogue and easy to follow story line." Bookzilla "Loved the characters, the suspense, and the emotions coming through the pages. Five stars for Burke and Maddy." Jennifer - Goodreads "The perfect blend blend of romance, a bit of mystery with suspense and of course the rest of the Callaway clan makes for a great read in SOMEWHERE ONLY WE KNOW. This is part of a series but can be read as a standalone." Shari - Goodreads "This is by far the best Callaway book yet. Burke is amazing. Jenny's never had much time for boys, K-pop, or really anything besides her dream of being a professional cellist. But when she finds herself falling for a K-pop idol, she has to decide whether their love is worth the risk. A modern forbidden romance wrapped in the glamorous and exclusive world of K-pop, XOXO is perfect for fans of Jenny Han and Maurene Goo. Jenny didn't get to be an award-winning,

classically trained cellist without choosing practice over fun. That is, until the night she meets Jaewoo. Mysterious, handsome, and just a little bit tormented, Jaewoo is exactly the kind of distraction Jenny would normally avoid. And yet, she finds herself pulled into spending an unforgettable evening wandering Los Angeles with him on the night before his flight home to South Korea. With Jaewoo an ocean away, there's no use in dreaming of what could have been. But when Jenny and her mother move to Seoul to take care of her ailing grandmother, who does she meet at the elite arts academy she's just been accepted to? Jaewoo. Finding the dreamy stranger who swept you off your feet in your homeroom is one thing, but Jaewoo isn't just any student. Turns out, Jaewoo is a member of one of the biggest K-pop bands in the world. And like most K-pop idols, Jaewoo is strictly forbidden from dating anyone. When a relationship means not only jeopardizing her place at her dream music school but also endangering everything Jaewoo's worked for, Jenny has to decide once and for all just how much she's willing to risk for love. XOXO is a new romance that proves chasing your dreams doesn't have to mean sacrificing your heart, from acclaimed author Axie Oh. "What if we could go there? Somewhere that makes us normal? I mean, hypothetically of course. If that place existed, would you want to spend eternity there with me?" From the bestselling author of *The Boy That Never Was* and *Girl Unknown*, *Only We Know* is a gripping novel that shows just how dangerous our childhood secrets can be. In 1982, on a once-in-a-lifetime holiday beneath the stifling heat of the midday sun, three children start a game that ends in tragedy. Now, thirty years later, Nick, Luke and Katie are estranged, yet still bound together by the dark truth of what happened at the river that day. Except some secrets won't stay buried. And when Luke suddenly vanishes and the threatening messages begin, it seems that the strings of the past are tightening around them all. Because someone else knows what they did and is intent on seeking justice, at any cost . . . Praise for *Only We Know*: 'Only We Know builds handsomely on the promise of *The Boy That Never Was*, plausibly and hauntingly exploring the extent to which guilt, shame and secrecy can shape, define and eventually destroy lives' Declan Burke, *The Irish Times* 'This is an intense and subtle story with some wonderfully poetic passages and a character driven plot which becomes more compelling as the sense of momentum gathers and the true version of events is slowly revealed. Gripping stuff' *Sunday Mirror* 'The power of *Only We Know* lies in the slow illumination of how, under their flimsy cloaks of adulthood, Katie and Nick and Luke are still the traumatised children of a long-ago day by a river, frozen in time by one event. It raises fascinating questions about who we are at heart, about the degree to which damage and guilt can shape our natures, and about whether - and how - we can be redeemed' Tana French 'Don't be surprised if you devour *Only We Know* in one sitting' *Crime Fiction Lovers* THE NUMBER ONE SUNDAY TIMES BESTSELLER Shortlisted for the Specsavers National Book Awards 2018 'Unflinching, unputdownable' *Guardian* 'Witty, dark, devastating' Caitlin Moran 'An amazing read. Brutally honest' Matt Haig 'I love it' Jon Ronson

NOW A NETFLIX FILM, STARRING ELLE FANNING AND JUSTICE SMITH! The New York Times bestselling love story about two teens who find each other while standing on the edge. And don't miss *Take Me with You When You Go*, Jennifer Niven's highly anticipated new book with bestselling author David Levithan! Theodore Finch is fascinated by death. Every day he thinks of ways he might kill himself, but every day he also searches for—and manages to find—something to keep him here, and alive, and awake. Violet Markey lives for the future, counting the days until graduation, when she can escape her small Indiana town and her aching grief in the wake of her sister's recent death. When Finch and Violet meet on the ledge of the bell tower at school—six stories above the ground—it's unclear who saves whom. Soon it's only with Violet that Finch can be himself. And it's only with Finch that Violet can forget to count away the days and start living them. But as Violet's world grows, Finch's begins to shrink. . . . “A do-not-miss for fans of *Eleanor & Park* and *The Fault in Our Stars*, and basically anyone who can breathe.” —*Justine Magazine* “At the heart—a big one—of *All the Bright Places* lies a charming love story about this unlikely and endearing pair of broken teenagers.” —*The New York Times Book Review* “A heart-rending, stylish love story.” —*The Wall Street Journal* “A complex love story that will bring all the feels.” —*Seventeen Magazine* “Impressively layered, lived-in, and real.” —*Buzzfeed* Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin In this luminous book of criticism, Chekhov's foremost Russian interpreter offers to Western readers a remarkably clear and commanding appraisal of the master's work. 'An incredibly personal story ... sad, but unbelievably funny' - Claudia Winkleman, BBC Radio 2 Arts Show 'This memoir is gasp-out-loud, offensively funny, touching and a sure thing for anyone who likes David Sedaris - but with more Mormons' - Red At twenty-five, Dan left his 'spoiled white asshole' life in Los Angeles to look after his dying parents in Salt Lake City, Utah. His mother, who had already been battling cancer on and off for close to 15 years, had taken a turn for the worse. His father, a devoted marathon runner and adored parent, had been diagnosed with motor neurone disease which was quickly eroding his body. Dan's four siblings were already home, caring for their parents and resenting Dan for not doing the same. Home is Burning tells the story of Dan's year at home in Salt Lake City, as he reunites with his eclectic family -the only non-Mormon family of seven in the entire town - all of them trying their best to be there for the father who had always been there for them. Be prepared to swoon in this irresistible rom-com about taking a chance on love and finding yourself along the way. Perfect for fans of *To All the Boys I've Loved Before* and *The Kissing Booth*. Soon to be a Netflix feature-film. 10:00 p.m.: Lucky is the biggest K-pop star on the scene, and she's just performed her hit song "Heartbeat" in Hong Kong to thousands of adoring fans. She's about to debut on *The Tonight Show* in America, hopefully a breakout performance for her career. But right now? She's in her fancy hotel, trying to fall asleep but dying for a hamburger. 11:00 p.m.: Jack is sneaking into a fancy hotel, on assignment for his tabloid job that he keeps secret from his parents. On his way out of the hotel, he runs into a girl wearing slippers, a girl who is single-mindedly determined to find a hamburger. She looks kind of familiar. She's very cute. He's maybe curious. 12:00 a.m.: Nothing will ever be the same. With her trademark humour and voice, Maurene Goo delivers a sparkling story of taking a chance on love - and finding yourself along the way. 'Maurene Goo has built a following with her breezy, pop-culture-savvy romantic comedies' *New York Times* The end is just the beginning. The rapture is one of the simplest concepts found in the Holy Bible, yet there is a great amount of confusion and division concerning whether the next and final rapture will occur before the Tribulation, in the middle of the Tribulation, or after the Tribulation. Doc Marquis settles the question once and for all in *The Final Rapture*. Marquis dissects specific prophecies to show how close we truly are to the final rapture. He uses information from the Book of Revelation to alert those who are in danger of missing it--those who may still be on Earth during the Tribulation Period--to what they must live through if they are still here. 'For there is always light If only we're brave enough to be it. If only we're brave enough to see it.' ***Sunday Times* and *New York Times* Bestseller** 'I was profoundly moved... The power of your words blew me away' Michelle Obama, *TIME* 'A moment of history in book form' *Stylist* 'Deeply rousing and uplifting' *Vogue* On 20 January 2021, Amanda Gorman spoke a message of truth and hope to millions. Aged twenty-two, she delivered a poetry reading at the inauguration of US President Joe Biden. Her poem, 'The Hill We Climb', addressed the country and reached across the world: a call for a brave future. This special edition, which includes an enduring foreword by Oprah Winfrey, marks that poem and offers us courage, consolation and the inspiration to make change. 'I was thrilled' Hillary Clinton 'She spoke truth to power and embodied clear-eyed hope to a weary nation. She revealed us to ourselves' Lin-Manuel Miranda, *TIME* A beautiful and gripping wartime story about family secrets and impossible choices in the face of terrible hardship that is perfect for fans of *The Tattooist of Auschwitz*. When Karen Cartwright is unexpectedly called home to nurse her ailing father, she goes with a heavy heart. The house she grew up in feels haunted by the memory of her father's closely guarded secrets about her beautiful mother Elizabeth's tragic death years before. As she packs up the house, Karen discovers an old photograph and a stranger's tattered love letter to her mother postmarked from Germany after the war. During her life, Karen struggled to understand her shy, fearful mother, but now she is realising there was so much more to Elizabeth than she knew. For one thing, her name wasn't even Elizabeth, and her harrowing story begins long before Karen was born. It's 1941 in Nazi-occupied Berlin, and a young Jewish woman called Liese is being forced to wear a yellow star... Acclaimed *New York Times* journalist and author Chris Hedges offers a critical -- and fascinating -- lesson in the dangerous realities of our age: a stark look at the effects of war on combatants. Utterly lacking in rhetoric or dogma, this manual relies instead on bare fact, frank description, and a spare question-and-answer format. Hedges allows U.S. military documentation of the brutalizing physical and psychological consequences of combat to speak for itself. Hedges poses dozens of questions that young soldiers might ask about combat, and then answers them by quoting from medical and psychological studies. • What are my chances of being wounded or killed if we go to war? • What does it feel like to get shot? • What do artillery shells do to you? • What is the most painful way to get wounded? • Will I be afraid? • What could happen to me in a nuclear attack? • What does it feel like to kill someone? • Can I withstand torture? • What are the long-term consequences of combat stress? • What will happen to my body after I die? This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity. A bold, epic debut novel set during the war and financial crisis that defined the beginning of our century One September morning in 2008, an investment banker approaching forty, his career in collapse and his marriage unraveling, receives a surprise visitor at his West London townhouse. In the disheveled figure of a South Asian male carrying a backpack, the banker recognizes a long-lost friend, a mathematics prodigy who disappeared years earlier under mysterious circumstances. The friend has resurfaced to make a confession of unsettling power. In *The Light of What We Know* takes us on a journey of exhilarating scope--from Kabul to London, New York, Islamabad, Oxford, and Princeton--and explores the great questions of love, belonging, science, and war. It is an age-old story: the friendship of two men and the betrayal of one by the other. The visitor, a man desperate to climb clear of his wrong beginnings, seeks atonement; and the narrator sets out to tell his friend's story but finds himself at the limits of what he can know about the world--and, ultimately, himself. Set against the breaking of nations and beneath the clouds of economic crisis, this surprisingly tender novel chronicles the lives of people carrying unshakable legacies of class and culture as they struggle to tame their futures. In an extraordinary feat of imagination, Zia Haider Rahman has telescoped the great upheavals of our young century into a novel of rare intimacy and power. A love story for everyone who loves books. 'One of the loveliest, most exquisitely beautiful books I've read in a very long time ... I didn't just read the pages, I lived in them' Jennifer Niven, author of *All the Bright Places* Two teens find their way back to each other in a bookstore full of secrets and crushes, grief and hope - and letters hidden between the pages. Years ago, Rachel had a crush on Henry Jones. The day before she moved away, she tucked a love letter into his favourite book in his family's bookshop. She waited. But Henry never came. Now Rachel has returned to the city - and to the bookshop - to work alongside the boy she'd rather not see, if at all possible, for the rest of her life. But Rachel needs the distraction. Her brother drowned months ago, and she can't feel anything anymore. As Henry and Rachel work side by side - surrounded by books, watching love stories unfold, exchanging letters between the pages - they find hope in each other. Because life may be uncontrollable, even unbearable sometimes. But it's possible that words, and love, and second chances are enough. A funny and moving debut novel that follows four generations of a singularly weird American family, all living under one roof, as each member confronts a moment of crisis in a narrative told through a uniquely quirky, charming, and unforgettable voice. Acclaimed short story writer Elizabeth Crane, well known to public radio listeners for her frequent and captivating contributions to WBEZ Chicago's *Writer's Block Party*, delivers a sublime, poignant, and often hilarious first

novel, perfect for fans of Jessica Anya Blau's *The Summer of Naked Swim Parties* and Heather O'Neill's *Lullabies for Little Criminals*. "Crane has a distinctive and eccentric voice that is consistent and riveting." —New York Times Book Review

What is the secret of Lauren's past? Lauren's family have moved house very suddenly, and she and her sister Tilda have to go to a new school. Lauren's determined to reinvent herself, but she's panic-stricken when she sees Harry, who she knew a few years ago. Luckily Harry doesn't recognise her, and she knows she has to make sure it stays like that. Lauren, unlike Tilda, settles in well. She makes friends, is helping to organise the school fashion show, and has boys asking her out. But just as her life finally seems to be looking up she starts receiving macabre packages. When she gets a message: 'Isn't it time your new friends knew all about you?' she has to admit that someone knows her secret. But who - and what should she do? Thomas Gilovich offers a wise and readable guide to the fallacy of the obvious in everyday life. When can we trust what we believe—that "teams and players have winning streaks," that "flattery works," or that "the more people who agree, the more likely they are to be right"—and when are such beliefs suspect? Thomas Gilovich offers a guide to the fallacy of the obvious in everyday life. Illustrating his points with examples, and supporting them with the latest research findings, he documents the cognitive, social, and motivational processes that distort our thoughts, beliefs, judgments and decisions. In a rapidly changing world, the biases and stereotypes that help us process an overload of complex information inevitably distort what we would like to believe is reality. Awareness of our propensity to make these systematic errors, Gilovich argues, is the first step to more effective analysis and action. An NPR Best Book of 2018 A Boston Globe Best Children's Book of 2018 A We Need Diverse Books 2018 Must-Read A TAYSHAS 2019 Reading List Book From the author of *I Believe in a Thing Called Love*, a laugh-out-loud story of love, new friendships, and one unique food truck. Clara Shin lives for pranks and disruption. When she takes one joke too far, her dad sentences her to a summer working on his food truck, the KoBra, alongside her uptight classmate Rose Carver. Not the carefree summer Clara had imagined. But maybe Rose isn't so bad. Maybe the boy named Hamlet (yes, Hamlet) crushing on her is pretty cute. Maybe Clara actually feels invested in her dad's business. What if taking this summer seriously means that Clara has to leave her old self behind? With Maurene Goo's signature warmth and humor, *The Way You Make Me Feel* is a relatable story of falling in love and finding yourself in the places you'd never thought to look. While companies search the world over to benchmark best practices, vast treasure troves of knowledge and know-how remain hidden right under their noses: in the minds of their own employees, in the often unique structure of their operations, and in the written history of their organizations. Now, acclaimed productivity and quality experts Carla O'Dell and Jack Grayson explain for the first time how applying the ideas of Knowledge Management can help employers identify their own internal best practices and share this intellectual capital throughout their organizations. Knowledge Management (KM) is a conscious strategy of getting the right information to the right people at the right time so they can take action and create value. Basing KM on three major studies of best practices at one hundred companies, the authors demonstrate how managers can utilize a visual process model to actually transfer best practices from one business unit of the organization to another. Rich with case studies, concrete examples, and revealing anecdotes from companies including Texas Instruments, Amoco, Buckman, Chevron, Sequent Computer, the World Bank, and USAA, this valuable guide reveals how knowledge treasure chests can be unlocked to reduce product development cycle time, implement more cost-efficient operations, or create a loyal customer base. Finally, O'Dell and Grayson present three "value propositions" built around customers, products, and operations that could result in staggering payoffs as they did at the companies cited above. No amount of knowledge or insight can keep a company ahead if it is not properly distributed where it's needed. Entirely accessible and immensely readable, *If Only We Knew What We Know* is a much-needed companion for business leaders everywhere. Bri Marino's somewhere only we know explores emotional, physical, and sexual abuse in the lives of four young girls. The novel shows Frankie's struggle to make sense of the violence in her life, and her struggle to get her friends to open up about their abuse so that they can try to once again find that place of peace in their lives. Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. *I Have No Mouth and I Must Scream* also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes." THE NEW YORK TIMES BESTSELLER I wanted to know what they were experiencing, and why to us they feel so compelling, and so close. This time I allowed myself to ask them the question that for a scientist was forbidden fruit: Who are you? Weaving decades of field observations with exciting new discoveries about the brain, Carl Safina's landmark book offers an intimate view of animal behavior to challenge the fixed boundary between humans and animals. Travelling to the threatened landscape of Kenya to witness struggling elephant families work out how to survive poaching and drought, then on to Yellowstone National Park to observe wolves sort out the aftermath of one pack's personal tragedy, the book finally plunges into the astonishingly peaceful society of killer whales living in the crystalline waters of the Pacific Northwest. *Beyond Words* brings forth powerful and illuminating insight into the unique personalities of animals through extraordinary stories of animal joy, grief, jealousy, anger, and love. The similarity between human and nonhuman consciousness, self-awareness and empathy calls us to re-evaluate how we interact with animals. Wise, passionate, and eye-opening at every turn, *Beyond Words* is ultimately a graceful examination of humanity's place in the world. THE TOP 10 SUNDAY TIMES BESTSELLER Shortlisted for the FT Business Book of the Year Award 2019 'Easily the most important book to be published this century. I find it hard to take any young activist seriously who hasn't at least familiarised themselves with Zuboff's central ideas.' - Zadie Smith, *The Guardian* The challenges to humanity posed by the digital future, the first detailed examination of the unprecedented form of power called "surveillance capitalism," and the quest by powerful corporations to predict and control us. The heady optimism of the Internet's early days is gone. Technologies that were meant to liberate us have deepened inequality and stoked divisions. Tech companies gather our information online and sell it to the highest bidder, whether government or retailer. Profits now depend not only on predicting our behaviour but modifying it too. How will this fusion of capitalism and the digital shape our values and define our future? Shoshana Zuboff shows that we are at a crossroads. We still have the power to decide what kind of world we want to live in, and what we decide now will shape the rest of the century. Our choices: allow technology to enrich the few and impoverish the many, or harness it and distribute its benefits. *The Age of Surveillance Capitalism* is a deeply-reasoned examination of the threat of unprecedented power free from democratic oversight. As it explores this new capitalism's impact on society, politics, business, and technology, it exposes the struggles that will decide both the next chapter of capitalism and the meaning of information civilization. Most critically, it shows how we can protect ourselves and our communities and ensure we are the masters of the digital rather than its slaves.
