The research summarized in this doctoral dissertation sought to investigate the effects of both ayahuasca and 5-MeO-DMT on mental health-related variables such as affect (depression, anxiety and stress), mindfulness related capacities (observing, describing, awareness, non-judgement, and non-reactance), empathy, creativity, and subjective well-being. The main objective motivating this dissertation was to explore whether ingestion of ayahuasca and 5-MeO-DMT is related to the improvement in the aforementioned mental health variables. Secondly, this dissertation aimed to assess whether the magnitude of the psychedelic experience (for example mystical experiences and experience with ego dissolution) induced by ayahuasca and 5-MeO-DMT was correlated with changes in the mental health related variables. It was expected that ayahuasca and 5-MeO-DMT would demonstrate a similar therapeutic potential as psilocybin by evoking a rapid and persistent betterment in mental health related variables, correlated with the intensity ratings of the psychedelic experience. While Chapter 1

sketches a need for a novel treatment option for mental health disorders, Chapter 2 to 6 describe the various research of both ayahuasca and 5-MeO-DMT effects on various mental health related variables, Chapter 7 discusses and integrates the main findings of the studies illustrated in the experimental chapters of the dissertation.

Under His Covering: The Blooming of Faith will take you on an emotional roller coaster with twists and turns that will leave you crying for more. Hold on to your seat because Under His Covering: The Blooming of Faith promises to be the thriller of a lifetime. Harness the power of the magical, mystical, glorious Moon with more than 100 spells, chants, and rituals, along with Esbat celebrations for the Full Moon. The Moon is one of our most prominent and ancient symbols. It has shaped how we understand and track time, its movement controls the tides, and its rise into the sky signals the coming of night. All of these roles have cemented our relationship with the Moon and its important place in our

myths and culture. The distinct phases of the lunar cycle have associations with different states of being. These states mirror a kind of spiritual quest which, like our search for ourselves, never ends. When we observe the Moon, we see reflections of the grand pattern of life that is birth, death, and rebirth. With this invaluable handbook, follow the Moon as she traverses each sign of the zodiac and discover how each astrological phase affects magic—and how your personal Moon sign affects your magical work. The discussions include the influence of the seldom-discussed energies of the True-Blue Moon, the Black Moon, the Void of Course Moon, and the lunar eclipse. You will learn how to properly conduct spells using candles and gemstones at exactly the right lunar moment to enhance the flow of power. Each Moon phase is explored individually to cover the phase's main themes along with moon rituals, intention setting, and practical ways to celebrate and manifest health, wealth, and confidence. You'll also find herb and crystal lists as they relate to each moon phase and information on traditional lunar herbs, including lavender, jasmine, willow, moonwort, mug wort, pumpkin, and sandalwood.

Open your arms to Mother Moon, and allow her to take you into hers, with Moon Magic. The Mystical Handbook series from Wellfleet takes you on a magical journey through the wonderful world of spellcraft and spellcasting. Explore a new practice with each volume and learn how to incorporate spells, rituals, blessings, and cleansings into your daily routine. These portable companions feature beautiful foil-detail covers and color-saturated interiors on a premium paper blend. Other titles in the series include: Witchcraft, Love Spells, Knot Magic, Superstitions, and House Magic. "Complete text is presented as bullet points, ... content includes both introductory and advanced topics, ... based upon release 8 of the 3GPP specifications"--P. [4] of cover. Indexes journal articles in ecology and environmental science. Nearly 700 journals are indexed in full or in part, and the database indexes literature published from 1982 to the present. Coverage includes habitats, food chains, erosion, land reclamation, resource and ecosystems management, modeling, climate, water resources, soil, and pollution. This 2-book set includes bestselling Lies Women Believe

and Lies Women Believe Study Guide. In this bestseller book, Lies Women Believe, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth! In Lies Women Believe Study Guide, you will go deeper with the truths of Lies Women Believe. This engaging workbook is made up of ten sessions and is designed for individuals and small groups. You will get an overview of the chapter to be studied from Lies Women Believe, a daily personal study for you to complete during the course of the week between your small group meetings, as well as questions to answer under the subtitles "Realize," "Reflect," and "Respond."
