#1 New York Times bestselling author Patricia Briggs invites readers to follow her into the seductive realm of the Alpha and Omega series... Anne Latham didn't know how complicated life could be until she became a werewolf and was mated to Charles Cornick, the son—and enforcer—of the leader of the North American werewolves. She didn't know how dangerous it could be either... Anna and Charles have just been enlisted to attend a summit to present Bran's controversial proposition: that the wolves should finally reveal themselves to humans. But the most feared Alpha in Europe is dead set against the plan—and it seems like someone else might be, too. When Anna is attacked by vampires using pack magic, the kind of power only werewolves should be able to draw on, Charles and Anna must combine their talents to hunt down whoever is behind it all—or risk losing everything... Mercy Thompson, car mechanic and shapeshifter, never knows what the day—or night—may bring. But in the fifth novel in the #1 New York Times bestselling series, she's about to learn that while some secrets are dangerous—those who seek them are just plain deadly... Mercy is smart enough to realize that when it comes to the magical Fae, the less you know, the better. But you can't always get what you want. When she attempts to return a powerful Fae book she'd previously borrowed in an act of desperation, she finds the bookstore locked up and closed down. It seems the book contains secret knowledge—and the Fae will do just about anything to keep it out of the wrong hands. And if that doesn't take enough of Mercy's attention, her friend Samuel is struggling with his wolf side—leaving Mercy to cover for him, lest his own father declare Sam's life forfeit. All in all, Mercy has had better days. And if she isn't careful, she might not have many more to live... Mercy warily straddles the fine line dividing our everyday world from that darker dimension. Till a boy, mauled by vicious werewolves and forever changed by the attack and on the run from those who committed the crime, appears at her door. Now her two worlds are about to collide. Mercy Thompson, car mechanic and shapeshifter, must face her greatest fears in this chilling entry in the No. 1 New York Times bestselling series. The vampire Wulfe is missing. Since he's deadly, possibly insane, and his current idea of 'fun' is stalking Mercy, some may see it as no great loss. But when he disappears, the Tri-Cities pack is blamed. The mistress of the vampire seethe informs Mercy that the pack must produce Wulfe to prove their innocence, or the loose alliance between the local vampires and werewolves is over. So Mercy goes out to find her stalker - and discovers more than just Wulfe have disappeared. Someone is taking people from locked rooms, from the aisles of stores and even from crowded parties. And these are not just ordinary people but supernatural beings. Until Wulfe vanished, all of them were powerless loners, many of whom quietly moved to the Tri-Cities in the hope that the safety promised by Mercy and Adam's pack would extend to them as well. Who is taking them? As Mercy investigates, she learns of the legend of the Harvester, who travels by less-trodden paths and reaps the souls that are ripe with a great black scythe . . . “Expect to be spellbound”\* by Patricia Briggs’s #1 New York Times bestselling series starring Mercy Thompson. Being a lowly “walker” in a world of vampires, werewolves, and fae once kept her safe. But Mercy’s bark—and bite—are not so harmless any more... Though Mercy can shift her shape into that of a coyote, her loyalty never wavers. So when her former boss and mentor, Zee, asks for her help, she’s there for him. A series of murders has rocked a fae reservation, and Zee needs her unique gifts, namely her coyote sense of smell, to sniff out the killer. But when Zee is accused of murdering the suspect Mercy outed, he’s left to rot behind bars by his own kind. Now it’s up to Mercy to clear his name, whether he wants her to or not. Mercy’s loyalty is under pressure from other directions, too. Werewolves are not known for their patience, and if Mercy can’t decide between the two she cares for, Sam and Adam may make the choice for her... \*Lynn Viehl, New York Times bestselling author
