However, with luck on her side, she's soon moving to Nightingale Square and helping to create a beautiful winter garden that will be open to the public in time for Christmas. There's a warm welcome from all in Nightingale Square, except from local artist Finn. No matter how hard the pair try, they just can't get along, and working together to bring the winter garden to

life quickly becomes a struggle for them both. Will Freya and Finn be able to put their differences aside in time for Christmas? Or will the arrival of a face from Freya's past send them all spiralling? The Winter Garden is the perfect read this Christmas, promising snowfall, warm fires and breath-taking seasonal romance. Perfect for fans of Carole Matthews, Cathy Bramley and Sarah Morgan. Praise for HEIDI SWAIN: 'The queen of feel-good' Woman & Home 'Full of Heidi's trademark gentle charm. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay... The war is over and blackouts are a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing, a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young man is stopped along his way - stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets - and one citizen whose soul is as dark as the village night. Jessica Moore,

demure governess to a spoiled young girl who is expecting a marriage proposal from the Earl of Rutherford, a guest in her father's home, is unwise enough to creep downstairs to the library one night when she cannot sleep, to choose a book to read. There she is discovered, first by the earl, and then by her employer. Though she is quite innocent of any wrongdoing, she is dismissed without notice and without a character. The earl, conscience-stricken, tries to make amends by offering her a position as his mistress, but when she refuses, he gives her a letter to take to his grandmother in London. In it he begs his grandmother to find employment for Miss Moore. Neither he nor Jessica expects that the offered employment will be as his wife. 'I loved, loved, loved this so much!!!!' Blue Moon Blogger, [REDACTED] 'Stunning! Impossible to put down!' Goodreads Reviewer, [REDACTED] 'Oh my!... Just Wow!' Red Headed Book Lady, [REDACTED] 'UNPUTDOWNABLE.' Book Reviews by Shalini, [REDACTED] They find her just as the sun is beginning to rise in the early morning mist. They had begun at dawn, the group of searchers keen to get going. A missing child spurred everyone on. In the end, it was a flash of colour, a bright neon pink that caught her eye. They had been looking for pink. Nothing tests your faith like being a mother. The first time your children walk to school alone, their first sleepover, when they finally fly the nest. As a parent, you have to believe that everything will be OK. It's why, when Lydia's sixteen-year-old daughter Zoe goes on a school camping trip, she has no idea of the horrors that will unfold. It's why, when Lydia gets a call saying that her daughter has disappeared, she refuses to give up. As she searches the mountains, her voice hoarse from calling Zoe's name, she imagines finding her. She envisions being flooded with relief as she throws her arms around her child, saying, 'you gave us such a scare'. She pictures her precious girl safely tucked in bed that evening. It's why, when they find Zoe's body, Lydia can barely believe it. It is unthinkable. Her little girl has gone. Something terrible happened, she is sure of it. Something made Zoe get out of her

sleeping bag in the middle of the night, walk out of the warmth and safety of the cabin, into the darkness of the mountains. Driven by the memory of her youngest child, Lydia needs to find out the truth. What kind of mother would she be if she didn't? A heartbreaking, redemptive and beautifully crafted novel which brings to life a mother's worst nightmare, questioning how well we ever really know the people we love the most. Your worst nightmare come to life and I could not put it down... Full of suspense and begged to be read in one sitting. You cannot put this down until you read the final chapter.' Goodreads Reviewer, [REDACTED] Kate McLeod was desperate. Her younger sister was having her first baby, her younger brother was recently married, and . . . Christmas was coming. And in the McLeod household, Christmas was everything. Every year her parents' house looked like an assembly of angels had puked everywhere. She was talking lights and glitter, garland and plaid. EVERYWHERE. All of that Christmas spirit was topped off with the annual McLeod Holiday Party, complete with mistletoe and happy couples and . . . her lonesome single ass. Kate, the one everyone tried to set up with their friend or cousin or coworker. Kate, the oldest and pathetically unmarried sister. Kate, the sad, single San Franciscan. Well, this year she had a plan. She was going to get herself engaged. A diamond ring on her finger was the perfect way to get her family to back off. And she had just the perfect guy in mind. 'will have you gripped from start to finish, so much so that you really don't want to stop reading!' (5 stars) Reader review 'I was hooked straight in from the first chapter and it really didn't let up. Fast paced and thrilling.' (5 stars) Reader review You know everything about your husband. Don't you? He loves you. He loves your children. He'd never put his family in danger. One of these is a lie. It started like any other day at the hairdressers where Sally works as a stylist... until her first client innocently shows her a family

photograph; a photograph that causes Sally to collapse in shock. In one moment, Sally discovers that Tom has been hiding an explosive secret - one that could tear apart the life they've built together. Faced with an impossible dilemma - search for the truth, or keep her contented life? - Sally is about to discover that even those closest to us have secrets... and that sometimes the truth is the last thing we want to hear. A completely gripping, suspenseful psychological thriller that fans of T.M. Logan, My Lovely Wife and K.L. Slater won't be able to put down. Reader review 'loved all the twists and turns; kept me guessing! I really enjoyed this, read it in one sitting!' (5 stars) Reader review To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. " □□□□ It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that

will haunt him for the rest of his life. "This book underscores what we have long known—Gurganus stands among the best writers of our time." —Ann Patchett Through memorable language and bawdy humor, Gurganus returns to his mythological Falls, North Carolina, home of Widow. This first work in a decade offers three novellas mirroring today's face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, *Local Souls* uncovers certain old habits—adultery, incest, obsession—still very much alive in our New South, a "Winesburg, Ohio" with high-speed Internet. Wells Tower says of Gurganus, "No living writer knows more about how humans matter to each other." Such ties of love produce hilarious, if wrenching, complications: "Fear Not" gives us a banker's daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult rescuer she might have invented. In "Saints Have Mothers," a beloved high school valedictorian disappears during a trip to Africa, granting her ambitious mother a postponed fame that turns against her. And in a dramatic "Decoy," the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges their fates. Gurganus finds fresh pathos in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and social embarrassment with Twain's knife-edged glee. By loving Falls, Gurganus dramatizes the passing of Hawthorne's small-town nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus "the most technically gifted and morally responsive writer of his generation." *Local Souls* confirms Cheever's prescient faith. It deepens the luster of Gurganus's reputation for compassion and laughter. His black comedy leaves us with lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a

village. "A masterpiece of thriller and mystery. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time. Two of Scotland Yard's finest—who happen to be married—navigate darkest London to solve a series of murders that blur every line between right and wrong. Chief Inspector Michael Sinclair, also known as Lord Acton, and rookie detective Kathleen Doyle ruffle more than a few feathers at CID Headquarters when their relationship comes to light. But office politics quickly become trivial amid a rash of underworld murders. As the body count climbs, Doyle uncovers a vicious war over lucrative turf between the

Russian mafia and an Irish terrorist group. But their acts of revenge are almost too much for Scotland Yard to keep up with—and when Acton seems unusually troubled by the crimes, Doyle wonders what sparked the conflict in the first place. Perhaps there's nothing more to it than under-the-table business dealings gone awry. Or perhaps a single act of vigilante justice ignited a brutal battle. As Doyle and Acton fight not to become the next victims, they'll find that the truth may be best left unspoken, and retribution may be best left to fate... "Romantic suspense fans will welcome Cleeland's second New Scotland Yard mystery...Distinctive characters, including Aiki, a friendly Rwandan cab driver who acts as Doyle's self-appointed protector, compliment the finely wrought, highly charged plot."—Publishers Weekly

As the 22nd century approaches, the United States and Canada have been shattered by war and upheaval and have broken up into separate ethnic, racial, and political enclaves. On the east coast a crumbling, bankrupt and tottering United States government still holds a weak and impotent sway over a ragged collection of tattered states and cities, but life is chaotic and plagued with poverty, violence, and desperation. The entire Southwest, beginning with Texas and extending westward to southern California and north as far as Utah, has become the Spanish-speaking Mexican state of Aztlan. And in the Pacific Northwest, from northern California on up to Alaska, a brutal fascist and white supremacist dictatorship rules the

Northwest American Republic. Colonel Donald Redmond of the Bureau of State Security (BOSS) is one of the Northwest Republic's most ruthless and skillful political policemen. Then on a bright October morning he is called into the office of the State President, where he is given a top-secret assignment. A skeleton from the bloody and treacherous days of the revolution against America is about to emerge from the closet, and one of the most carefully guarded and suppressed mysteries of that revolution may become public knowledge. That long hidden truth may undermine the very moral and political foundations of the white supremacist state. A woman's life hangs in the balance, but possibly even the fate of a continent as well, as Donald Redmond and his partner Sergeant Nel plunge into the past and seek for the answer: who betrayed the Olympic Flying Column, and why? In *The Hill of the Ravens*, underground cult novelist H. A. Covington offers us a grim and chilling view of a future that may yet come to be.
