Escape North! The Story of Harriet Tubman Jan 07 2022 An easy-to-read, page-turning account of Harriet Tubman's life--from her childhood in slavery to her years as a conductor on the Underground Railroad to her later work as a suffragette and as a spy in the Civil War. This remarkable true story brings to life one of America's greatest female role models.

She Came to Slay Sep 15 2022 In the bestselling tradition of *The Notorious RBG* comes a lively, informative, and illustrated tribute to one of the most exceptional women in American history—Harriet Tubman—a heroine whose fearlessness and activism still resonates today. Harriet Tubman is best known as one of the most famous conductors on the Underground Railroad. As a leading abolitionist, her bravery and selflessness has inspired generations in the continuing struggle for civil rights. Now, National Book Award nominee Erica Armstrong Dunbar presents a fresh take on this American icon blending traditional biography, illustrations, photos, and engaging sidebars that illuminate the life of Tubman as never before. Not only did Tubman help liberate hundreds of slaves, she was the first woman to lead an armed expedition during the Civil War, worked as a spy for the Union Army, was a fierce suffragist, and was an advocate for the aged. *She Came to Slay* reveals the many complexities and varied accomplishments of one of our nation's true heroes and offers an accessible and modern interpretation of Tubman's life that is both informative and engaging. Filled with rare outtakes of commentary, an expansive timeline of Tubman's life, photos (both new and those in public domain), commissioned illustrations, and sections including "Harriet By the Numbers" (number of times she went back down south, approximately how many people she rescued, the bounty on her head) and "Harriet's Homies" (those who

supported her over the years), *She Came to Slay* is a stunning and powerful mix of pop culture and scholarship and proves that Harriet Tubman is well deserving of her permanent place in our nation's history.

She Persisted: Harriet Tubman Sep 03 2021 Inspired by the #1 New York Times bestseller *She Persisted* by Chelsea Clinton and Alexandra Boiger comes a chapter book series about women who stood up, spoke up and rose up against the odds! In this chapter book biography by bestselling and award-winning author Andrea Davis Pinkney, readers learn about the amazing life of Harriet Tubman--and how she persisted. Born enslaved, Harriet Tubman rose up to become one of the most successful, determined and well-known conductors of the Underground Railroad. With her family's love planted firmly in her heart, Harriet looked to the North Star for guidance--and its light helped guide her way out of slavery. Her courage made it possible for her to help others reach freedom too. Complete with an introduction from Chelsea Clinton, black-and-white illustrations throughout, and a list of ways that readers can follow in Harriet Tubman's footsteps and make a difference! And don't miss out on the rest of the books in the *She Persisted* series, featuring so many more women who persisted, including Claudette Colvin, Ruby Bridges, Oprah Winfrey, and more! Praise for *She Persisted: Harriet Tubman*: * "This chapter-book biography humanizes [Tubman] and brings her to life . . . Pinkney and Flint have created a standout series opener." --Kirkus Reviews, *STARRED REVIEW* "The story-like text moves along at a brisk pace, relating anecdotes that will appeal to young readers . . . and the simple line drawings that appear every few pages add nuance." --Booklist "This engaging biography is a quick but informative read and well-matched for the intended audience." --School Library Journal

I Am Harriet Tubman Jul 13 2022 An introduction to the life of the civil rights heroine and suffrage activist describes how she repeatedly risked her life to save dozens of slaves and became an equal rights icon in post-Civil War.

A Bound Woman Is a Dangerous Thing Jul 21 2020 Nominated for an NAACP Image Award A Publishers Weekly Top 10 History Title for the season Booklist's Top 10 Diverse Nonfiction titles for the year BookRiot's "50 Must-Read Poetry Collections" Most Anticipated Books of the Year--The Rumpus, Nylon A revelatory work in the tradition of Claudia Rankine's Citizen, DaMaris Hill's searing and powerful narrative-in-verse bears witness to American women of color burdened by incarceration. "It is costly to stay free and appear / sane." From Harriet Tubman to Assata Shakur, Ida B. Wells to Sandra Bland and Black Lives Matter, black women freedom fighters have braved violence, scorn, despair, and isolation in order to lodge their protests. In A Bound Woman Is a Dangerous Thing, DaMaris Hill honors their experiences with at times harrowing, at times hopeful responses to her heroes, illustrated with black-and-white photographs throughout. For black American women, the experience of being bound has taken many forms: from the bondage of slavery to the Reconstruction-era criminalization of women; from the brutal constraints of Jim Crow to our own era's prison industrial complex, where between 1980 and 2014, the number of incarcerated women increased by 700%.* For those women who lived and died resisting the dehumanization of confinement--physical, social, intellectual--the threat of being bound was real, constant, and lethal. In A Bound Woman Is a Dangerous Thing, Hill presents bitter, unflinching history that artfully captures the personas of these captivating, bound yet unbridled African-American women. Hill's passionate odes to Zora Neale Hurston, Lucille Clifton, Fannie Lou Hamer, Grace Jones, Eartha Kitt, and others also celebrate the modern-day inheritors of their load and light, binding history, author, and reader in an essential legacy of struggle. *The Sentencing Project

Harriet Tubman Feb 20 2023 The definitive biography of one of the most courageous women in American history "reveals Harriet Tubman to be even more remarkable than her legend" (Newsday). Celebrated for her exploits as a conductor on the Underground Railroad, Harriet Tubman has entered

history as one of nineteenth-century America's most enduring and important figures. But just who was this remarkable woman? To John Brown, leader of the Harper's Ferry slave uprising, she was General Tubman. For the many slaves she led north to freedom, she was Moses. To the slaveholders who sought her capture, she was a thief and a trickster. To abolitionists, she was a prophet. Now, in a biography widely praised for its impeccable research and its compelling narrative, Harriet Tubman is revealed for the first time as a singular and complex character, a woman who defied simple categorization. "A thrilling reading experience. It expands outward from Tubman's individual story to give a sweeping, historical vision of slavery." --NPR's Fresh Air

The Agitators Mar 09 2022 An LA Times Best Book of the Year "Engrossing... examines the major events of the mid 19th century through the lives of three key figures in the abolitionist and women's rights movements." --Smithsonian From the executive editor of *The New Yorker*, a riveting, provocative, and revelatory history of abolition and women's rights, told through the story of three women—Harriet Tubman, Frances Seward, and Martha Wright—in the years before, during and after the Civil War. "The *Agitators* tells the story of America before the Civil War through the lives of three women who advocated for the abolition of slavery and for women's rights as the country split apart. Harriet Tubman, Martha Coffin Wright, and Frances A. Seward are the examples we need right now—another time of divisiveness and dissension over our nation's purpose 'to form a more perfect union.'" --Hillary Rodham Clinton In the 1850s, Harriet Tubman, strategically brilliant and uncannily prescient, rescued some seventy enslaved people from Maryland's Eastern Shore and shepherded them north along the underground railroad. One of her regular stops was Auburn, New York, where she entrusted passengers to Martha Coffin Wright, a Quaker mother of seven, and Frances A. Seward, the wife of William H. Seward, who served over the years as governor, senator, and secretary of state under Abraham Lincoln. During the

Civil War, Tubman worked for the Union Army in South Carolina as a nurse and spy, and took part in a spectacular river raid in which she helped to liberate 750 slaves from several rice plantations. Wright, a “dangerous woman” in the eyes of her neighbors, worked side by side with Elizabeth Cady Stanton and Susan B. Anthony to organize women’s rights and anti-slavery conventions across New York State, braving hecklers and mobs when she spoke. Frances Seward, the most conventional of the three friends, hid her radicalism in public, while privately acting as a political adviser to her husband, pressing him to persuade President Lincoln to move immediately on emancipation. *The Agitators* opens in the 1820s, when Tubman is enslaved and Wright and Seward are young homemakers bound by law and tradition, and ends after the war. Many of the most prominent figures of the era—Lincoln, William H. Seward, Frederick Douglass, Daniel Webster, Charles Sumner, John Brown, William Lloyd Garrison—are seen through the discerning eyes of the protagonists. So are the most explosive political debates: about the civil rights of African Americans and women, about the enlistment of Black troops, and about opposing interpretations of the Constitution. Through richly detailed letters from the time and exhaustive research, Wickenden traces the second American revolution these women fought to bring about, the toll it took on their families, and its lasting effects on the country. Riveting and profoundly relevant to our own time, *The Agitators* brings a vibrant, original voice to this transformative period in our history.

The Tubman Command Dec 18 2022 If you loved the movie HARRIET <https://www.focusfeatures.com/harriet/> you will love THE TUBMAN COMMAND! From the bestselling author of *The Hamilton Affair*, a novel based on a thrilling chapter of Civil War history and African American history, how Harriet Tubman lead a Union raid to free 750 slaves. It’s May 1863. Outgeneraled and outgunned, a demoralized Union Army has pulled back with massive losses at the Battle of Chancellorsville. Fort Sumter, hated symbol of the Rebellion, taunts the American navy with its artillery and

underwater mines. In Beaufort, South Carolina, one very special woman, code named Moses, is hatching a spectacular plan. Hunted by Confederates, revered by slaves, Harriet Tubman plots an expedition behind enemy lines to liberate hundreds of bondsmen and recruit them as soldiers. A bounty on her head, she has given up husband and home for the noblest cause: a nation of, by, and for the people. The Tubman Command tells the story of Tubman at the height of her powers, when she devises the largest plantation raid of the Civil War. General David Hunter places her in charge of a team of black scouts even though skeptical of what one woman can accomplish. For her gamble to succeed, "Moses" must outwit alligators, overseers, slave catchers, sharpshooters, and even hostile Union soldiers to lead gunships up the Combahee River. Men stand in her way at every turn--though one reminds her that love shouldn't have to be the price of freedom. It's the perfect read before going to see the big new movie about Harriet Tubman, *Harriet* (November 2019) starring Kasi Lemmons, Cynthia Erivo, and Janelle Monae.

Harriet Tubman Aug 02 2021 A brief biography of the African-American woman whose cruel experiences as a slave in the South led her to seek freedom in the North for herself and for others through the Underground Railroad.

Harriet Tubman: Toward Freedom Apr 29 2021 This illuminating graphic novel biography about Harriet Tubman sheds new light on one of American history's bravest heroes. Harriet Tubman did something exceptionally courageous: She escaped slavery. Then she did something impossible: She went back. She underwent some thirteen missions to rescue around seventy enslaved people, using and expanding a network of abolitionists that became known as the Underground Railroad. She spent her life as an activist, speaking out for Black people and women's suffrage. This modern account of her trip to save her brothers is detailed and authentic. Illustrated with care for the historical record, it offers insight into the life and mind of Tubman, displaying her as a woman with an unshakable desire to break the chains of an unjust society.

It is a perfect anti-racist narrative for our times and deepens an understanding of just what freedom means to those who must fight for it.

Scenes in the Life of Harriet Tubman Apr 17 2020 Scenes in the Life of Harriet Tubman: By SARAH H. BRADFORD. [Special Illustrated Edition]

The Story of Harriet Tubman Mar 29 2021 "Sharing a story of slavery isn't ever easy for any educator, yet Christine helps learners to think critically about American slavery while telling a more humanizing and accurate account of Harriet Tubman's life. Her developmentally appropriate language and visual graphics are just right for our elementary classrooms" --Britt Hawthorne, Anti-bias/Anti-racist Teacher-Educator (britthawthorne.com) "What a beautiful biography of Harriet Tubman! Christine is a wonderful storyteller, finding just the right words for this important history. I loved the reflection questions, as well as how visually engaging this book is for young readers." --Jason Biehl, founder of Change The Narrative "So many beautiful illustrations and interesting details about Araminta Ross aka the legendary Harriet Tubman!" --Lisa Trusiani, author of American Trailblazers: 50 Remarkable People Who Shaped U.S. History, winner of the 2019 Lupine Honors Award

English Language Arts, Grade 7 Module 3A Jul 01 2021 Paths to College and Career Jossey-Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6–12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to

read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6–12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes: Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

Harriet Tubman Oct 24 2020 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an “underground railroad” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she’d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered

more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “well-written and moving life of the ‘Moses of her people’” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, *Harriet Tubman: Conductor on the Underground Railroad* was also selected as an American Library Association Notable Book.

Harriet Tubman Nov 05 2021 Learn how Harriet Tubman escaped slavery and led others to freedom on the underground railroad.

Harriet Tubman Aug 14 2022 An introduction to the life of Harriet Tubman, who spent her childhood in slavery and later worked to help other slaves escape north to freedom through the Underground Railroad.

Gateway to Freedom: The Hidden History of the Underground Railroad Feb 25 2021 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America's history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize-winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city's major banks, merchants, and manufacturers. New York was also home to the North's largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city's free

blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city's underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by "practical abolition," person by person, family by family.

I Am Harriet Tubman Sep 22 2020 An adventure-filled retelling based on an episode from the PBS KIDS television series Xavier Riddle and the Secret Museum starring Harriet Tubman. Based on the children's book series Ordinary People Change the World by New York Times bestselling author Brad Meltzer and illustrator Christopher Eliopoulos, the series introduces kids to inspiring historical figures and the character virtues that helped them succeed. Brad, Xavier, and Yadina need help deciding who the best superhero ever was. Luckily, Berby and the Secret Museum know just where to send them: back in time to meet Harriet Tubman, one of the leaders of the Underground Railroad. This episode-based 8x8 will focus on the traits that made our heroes great--the traits that kids can aspire to in order to live heroically themselves.

Dark Times, Dire Decisions Mar 17 2020 The newest volume of the annual Studies in Contemporary Jewry series features essays on the varied and often controversial ways Communism and Jewish history interacted during the 20th century. The volume's contents examine the relationship between Jews and the Communist movement in Poland, Russia, America, Britain, France, the Islamic world, and Germany.

Harriet Tubman Nov 12 2019 Using a variety of primary sources, this biography of Harriet Tubman describes the life of a former slave who was responsible for helping many other slaves to freedom.

The Archaeology of Harriet Tubman's Life in Freedom Nov 24 2020 Harriet Tubman's social activism as well as her efforts as a soldier, nurse, and spy have been retold in countless books and films and have justly elevated her to iconic status in American history. Given her fame and contributions, it is surprising how little is known of her later years and her continued efforts for social justice, women's rights, and care for the elderly. Tubman housed and cared for her extended family, parents, brothers, sisters, nieces, and nephews, as well as many other African Americans seeking refuge. Ultimately her house just outside of Auburn, New York, would become a focal point of Tubman's expanded efforts to provide care to those who came to her seeking shelter and support, in the form of the Harriet Tubman Home for the Aged. In this book, Armstrong reconstructs and interprets Tubman's public and private life in freedom through integrating his archaeological findings with historical research. The material record Tubman left behind sheds vital light on her life and the ways in which she interacted with local and national communities, giving readers a fuller understanding of her impact on the lives of African Americans. Armstrong's research is part of a wider effort to enhance public interpretation and engagement with the Harriet Tubman Home.

Who Was Harriet Tubman? Oct 04 2021 Born a slave in Maryland, Harriet Tubman knew first-hand what it meant to be someone's property; she was whipped by owners and almost killed by an overseer. It was from other field hands that

she first heard about the Underground Railroad which she travelled by herself north to Philadelphia. Throughout her long life (she died at the age of ninety-two) and long after the Civil War brought an end to slavery, this amazing woman was proof of what just one person can do.

The Combahee River Raid Dec 06 2021 The little-known story of the South Carolina military raid—led by a Union colonel aided by Harriet Tubman—that freed hundreds of slaves. In 1863, the Union was unable to adequately fill its black regiments. In an attempt to remedy that, Col. James Montgomery led a raid up the Combahee River on June 2 to gather recruits and punish the plantations. Aiding him was an expert at freeing slaves—famed abolitionist Harriet Tubman. The remarkable effort successfully rescued about 750 enslaved men, women, and children. Only one soldier was killed in the action, which marked a strategy shift in the war that took the fight to civilians. This book details the fascinating true story that became a legend.

Go Free or Die Jun 19 2020 For the first twenty-eight years of her life, Harriet Tubman lived as a slave on a southern plantation. Finally, with the help of a Quaker woman, she was able to escape to Philadelphia by way of the Underground Railroad. After her escape, Harriet began her quest to help free other slaves. Over a ten-year period she led more than three hundred people through the Underground Railroad. In *Go Free or Die*, young readers will learn about this courageous woman who refused to be a slave and who fought for freedom for everyone.

Young Harriet Tubman Aug 22 2020 Born into slavery, Harriet Tubman dreamed of being free. She made her daring escape on the underground railroad and bravely risked her life to bring others to freedom.

A Picture Book of Harriet Tubman Oct 16 2022 For young readers, an illustrated introduction to an American hero—the legendary Harriet Tubman. From her rebellious childhood to her daring escape from slavery, Harriet Tubman was a confident, fearless woman. After heading North in search of freedom, she risked her life, again and again, to lead others out of slavery, devoting herself to guiding

almost three hundred individuals along the network of safe havens known as the Underground Railroad. Called "General Tubman" for her strength and bravery, Harriet went on to work as a nurse and spy for the northern army in the Civil War. She fought tirelessly for women's right to vote, and help to open a home for poor and elderly African Americans, to which she eventually retired. Celebrated nonfiction author David A. Adler tells about Harriet Tubman's life and character, showing why she was so admired and beloved. A timeline of important dates is included. For almost thirty years, David Adler's Picture Book Biography series has profiled famous people who changed the world. Colorful, kid-friendly illustrations combine with Adler's "expert mixtures of facts and personality" (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history or who need reliable sources for school book reports.

Harriet Tubman: A Life in American History May 31 2021

Harriet Tubman: A Life in American History is an indispensable resource for high school and college students about the life and times of anti-slavery activist Harriet Tubman, who exemplifies how slaves took the initiative to free themselves and others. Harriet Tubman served a pivotal role in leading slaves to freedom in the decade before the Civil War. This biography offers a demythologized chronicle of her life and work with information about her life as a slave, role as conductor on the Underground Railroad, work as a military scout during the Civil War, and postwar activism for blacks and women. The book provides valuable context that situates Harriet Tubman against the backdrop of the slavery debate in antebellum America, and the hardships endured by ex-slaves in postbellum America. As such, the timeframe covers nearly a full century, from the first quarter of the 19th to the first quarter of the 20th. In addition to ten biographical chapters and a short timeline, Harriet Tubman includes an interpretive essay reflecting on her importance in American history. The

volume also includes an appendix of primary documents about Tubman's life and work, a bibliography, and a number of sidebars and short commentaries embedded in the text, inviting readers to explore connections between Tubman's life and political, intellectual, and social culture. Provides readers with a comprehensive but readable account of Tubman's life Provides readers with an overview of American abolitionism and the Underground Railroad Explores the pivotal role of religious faith in Tubman's activism Suggests several comparisons between Tubman's activism and current struggles for social justice

Bound for the Promised Land Apr 10 2022 The essential, "richly researched"* biography of Harriet Tubman, revealing a complex woman who "led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary" (*The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for *Bound for the Promised Land* "[Bound for the Promised Land] appropriately reads like fiction, for Tubman's exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman's determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others."—The Seattle Times "Essential for those interested in Tubman and her causes . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect."—The Plain Dealer "Larson

has captured Harriet Tubman's clandestine nature . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced."—The New York Sun

Harriet Tubman Feb 08 2022 When slave owners can't stop the formidable ninja warrior Harriet Tubman, they call on the help of Vampires, Werewolves, Witches, & Demons to stop her. Harriet Tubman must lead a family of slaves to freedom while battling an army of darkness.

Racism in America: A Reference Handbook Dec 14 2019 This book explains how race, once a differentiating factor, became a major basis for stratification in America that pervaded scientific thought, religious doctrine, governmental policy, and the patterned actions of decision-makers in all sectors of social life. Racism in America: A Reference Handbook diverges from the typical focus of accounts of racism on interpersonal prejudice and discrimination to situate racism within structural processes to demonstrate the systematic nature of racial discrimination. Racial progress, though notable, has largely addressed symptoms of the racialized social system rather than tackling the ways in which the system is inherently patterned to benefit whites. This book provides evidence that racial discrimination is not an occasional decision made by individuals. The book provides readers with a background and history of race in America; a thorough treatment of the problems, controversies, and solutions related to race; a perspectives section including essays from experts in a variety of related fields; profiles of important people and organizations; and a section dedicated to data and documents. Its organizational strategy benefits the reader, first explaining core concepts and providing context for racism in America before moving into more specific applications in the work of relevant experts and providing directions for further study. • Provides readers with a structural analysis of how racism is embedded in the foundations of American society • Combines academic research on racism in America with perspectives from attorneys, activists, religious leaders,

and others with experiences of institutional racism • Provides a sociologically grounded explanation of racism that demonstrates how racism in America was not arbitrary or solely interpersonal but rather planned, organized, and, at times, remarkably sophisticated in transferring power from racial minorities to whites • Includes a chronology of milestone events alongside resources for further study

The Future of Another Timeline Jan 15 2020 "A revolution is happening in speculative fiction, and Annalee Newitz is leading the vanguard."--Wil Wheaton From Annalee Newitz, founding editor of io9, comes a story of time travel, murder, and the lengths we'll go to protect the ones we love. 1992: After a confrontation at a riot grrl concert, seventeen-year-old Beth finds herself in a car with her friend's abusive boyfriend dead in the backseat, agreeing to help her friends hide the body. This murder sets Beth and her friends on a path of escalating violence and vengeance as they realize many other young women in the world need protecting too. 2022: Determined to use time travel to create a safer future, Tess has dedicated her life to visiting key moments in history and fighting for change. But rewriting the timeline isn't as simple as editing one person or event. And just when Tess believes she's found a way to make an edit that actually sticks, she encounters a group of dangerous travelers bent on stopping her at any cost. Tess and Beth's lives intertwine as war breaks out across the timeline--a war that threatens to destroy time travel and leave only a small group of elites with the power to shape the past, present, and future. Against the vast and intricate forces of history and humanity, is it possible for a single person's actions to echo throughout the timeline? Praise for The Future of Another Timeline: "An intelligent, gut-wrenching glimpse of how tiny actions, both courageous and venal, can have large consequences. Smart and profound on every level."--Publishers Weekly (starred review) "You close the book reeling with questions about your own life and your part in changing the future."--Amy Acker, actress (Angel and Person of Interest) At the Publisher's request, this title

is being sold without Digital Rights Management Software (DRM) applied.

Harriet Tubman Feb 14 2020 This title introduces readers to Harriet Tubman and how she became a shero to free as many slaves as possible through the Underground Railroad. Aligned to Common Core standards and correlated to state standards.

since I first read *Beloved* . . . ' Oprah Winfrey Lose yourself in the stunning debut novel everyone is talking about - the unmissable historical story of injustice and redemption that resonates powerfully today Hiram Walker is a man with a secret, and a war to win. A war for the right to life, to family, to freedom. Born into bondage on a Virginia plantation, he is also born gifted with a mysterious power that he won't discover until he is almost a man, when he risks everything for a chance to escape. One fateful decision will carry him away from his makeshift plantation family and into the heart of the underground war on slavery... 'A transcendent work from a crucial political and literary artist' Diana Evans 'I've been wondering who might fill the intellectual void that plagued me after James Baldwin died. Clearly it is Ta-Nehisi Coates' Toni Morrison

Walking the Way of Harriet Tubman Jun 12 2022 Harriet Tubman, freedom fighter and leader in the Underground Railroad, is one of the most significant figures in U.S. history. Her courage and determination in bringing enslaved people to freedom have established her as an icon of the abolitionist movement. But behind the history of the heroine called "Moses" was a woman of deep faith. In *Walking the Way of Harriet Tubman*, Therese Taylor-Stinson introduces Harriet, a woman born into slavery whose unwavering faith and practices in spirituality and contemplation carried her through insufferable abuse and hardship to become a leader for her people. Her profound internal liberation came from deep roots in mysticism, Christianity, nature spirituality, and African Indigenous beliefs that empowered her own escape from enslavement--giving her the strength and purpose to lead others on the road to freedom. Harriet's lived spirituality illuminates a profound path forward for those of us longing for internal freedom, as well as justice and equity in our communities. As people of color, we must cultivate our full selves for our own liberation and the liberation of our communities. As the luminous significance of Harriet Tubman's spiritual life is revealed, so too is the path to

our own spiritual truth, advocacy, and racial justice as we follow in her footsteps.

Harriet Tubman May 11 2022 Harriet Tubman is one of America's most beloved historical figures, revered alongside luminaries including Abraham Lincoln and Frederick Douglass. *Harriet Tubman: Myth, Memory, and History* tells the fascinating story of Tubman's life as an American icon. The distinguished historian Milton C. Sernett compares the larger-than-life symbolic Tubman with the actual "historical" Tubman. He does so not to diminish Tubman's achievements but rather to explore the interplay of history and myth in our national consciousness. Analyzing how the Tubman icon has changed over time, Sernett shows that the various constructions of the "Black Moses" reveal as much about their creators as they do about Tubman herself. Three biographies of Harriet Tubman were published within months of each other in 2003–04; they were the first book-length studies of the "Queen of the Underground Railroad" to appear in almost sixty years. Sernett examines the accuracy and reception of these three books as well as two earlier biographies first published in 1869 and 1943. He finds that the three recent studies come closer to capturing the "real" Tubman than did the earlier two. Arguing that the mythical Tubman is most clearly enshrined in stories told to and written for children, Sernett scrutinizes visual and textual representations of "Aunt Harriet" in children's literature. He looks at how Tubman has been portrayed in film, painting, music, and theater; in her Maryland birthplace; in Auburn, New York, where she lived out her final years; and in the naming of schools, streets, and other public venues. He also investigates how the legendary Tubman was embraced and represented by different groups during her lifetime and at her death in 1913. Ultimately, Sernett contends that Harriet Tubman may be America's most malleable and resilient icon.

Harriet Tubman and the Underground Railroad Nov 17 2022 A comprehensive introduction to the life and achievements of the heroic former slave details how after managing her own

escape, Harriet Tubman returned thirteen times to guide other slaves to freedom along the Underground Railroad, in a portrait that also relates her subsequent contributions as a wartime cook, nurse, spy, and suffragist.

Harriet Tubman Oct 12 2019 2013 Information Book Awards – Long-listed Harriet Tubman encouraged enslaved Africans to make the break for freedom and reinforced the potential of black freedom and independence. Born in the United States and enslaved as a child, Harriet Tubman (circa 1820-1913) is one of the best-known figures connected to the Underground Railroad. Through her knowledge and outdoor survival skills, honed through her unpaid labour in the fields and through the later connections she made in the abolitionist community, Tubman was well poised to command her followers. By her discipline and example, she never lost a "passenger." Tubman's exploits helped to empower those opposed to slavery and enrage those who supported it. Her success encouraged enslaved Africans to make the brave break for freedom and reinforced the belief held by abolitionists in the potential of black freedom and independence. Referred to as "General Tubman" due to her contributions to the Underground Railroad and to the Union Army, Tubman's numerous rescue missions ending in Canada helped to build the interest in escape and reinforce the position of Canada as the final stop on the journey to freedom.

Harriet Tubman, Secret Agent Jan 27 2021 Provides a biography of this courageous ex-slave who worked to establish the Underground Railroad, became a Union Army spy, and helped more than seven hundred slaves find their way to freedom in the North.

Harriet Tubman Dec 26 2020 A narrative biography of American abolitionist Harriet Tubman, who escaped slavery and led others to freedom as a conductor on the Underground Railroad.
