"Mometrix Test Preparation's PMP Exam Prep 2021 and 2022 - Project Management Professional Certification Secrets Study Guide is the ideal prep solution for anyone who wants to pass their Project Management Professional Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: Practice test questions with detailed answer explanations ; Tips and strategies to help you get your best test performance ; A complete review of all PMBoK sections. PMP is a certification mark of the Project Management Institute, which was not involved in the production of, and does not endorse, this product. The Mometrix guide is filled with the critical information you will need

in order to do well on your PMP exam: the concepts, procedures, principles, and vocabulary that the Project Management Institute (PMI) expects you to have mastered before sitting for your exam. PMBoK sections include: Foundational Elements ; Project Operating Environment ; Role of the Project Manager ; Project Integration Management ; Project Scope Management ; Project Schedule Management ; Project Cost Management ; Project Quality Management ; Project Resource Management ; Project Communications Management ; Project Risk Management ; Project Procurement Management ; Project Stakeholder Management ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix PMP study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an

eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of PMP practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our PMP Exam Prep 2021 and 2022 - Project Management Professional Certification Secrets Study Guide is no exception. It's an excellent investment in your future. Get the PMP review you need to be successful on your exam."

Exam ITIL 4 - 52 Exam Prep Questions Nov 17

2022 This book is designed to be an ancillary to the classes, labs, and hands on practice that you have diligently worked on in preparing to obtain your ITIL 4 certification. I won't bother talking about the benefits of certifications. This book tries to reinforce the knowledge that you have gained in your process of studying. It is meant as one of the end steps in your preparation for the ITIL 4 exam. This book is short, but it will give you a good gauge of your readiness. Learning can be seen in 4 stages: 1. Unconscious Incompetence 2. Conscious Incompetence 3. Conscious Competence 4. Unconscious Competence This book will assume the reader has already gone through the needed classes, labs, and practice. It is meant to take the reader from stage 2, Conscious Incompetence, to stage 3 Conscious Competence. At stage 3, you should be ready to take the exam. Only real-world scenarios and work experience will take you to stage 4, Unconscious Competence. I am not an author by trade. My goal is not to write the

cleanest of a book. This book will get to the gist of things, no frills no thrills. The only purpose is to have the reader pass the ITIL 4 exam. Before we get started, we all have doubts when preparing to take an exam. What is your reason and purpose for taking this exam? Remember your reason and purpose when you have some doubts. Obstacle is the way. Control your mind, attitude, and you can control the situation. Persistence leads to confidence. Confidence erases doubts.
