Sketches Ireland's history to 1916 and gives an intimate fifty-year progress report on Irish life, from 1916 to 1965. "Island of Daemons interprets accounts of the Donegal pilgrimage including histories, guidebooks, devotional writing, newspaper and magazine articles, as well as three major poems by twentieth-century Irish poets." "The pilgrimage history documents religious and political themes as well as the experience of pilgrimage as arduous, enlightening, and humbling. Early writings often stressed the sensational, with miracles, devils, and hideous torture. Most Lough Derg writings have been devotional, but there is a strong tradition of satire as well. Skepticism competes with reverence. It is important to locate each modern poet within a tradition of choices made in times past. This study, attempting to register the variety of attitudes associated with Lough Derg, depends at times on hypothesis-speculative possibilities rather than definite sources or influences." "This study will be useful to Irish Studies students, teachers of Irish literature and history, as well as those interested in cultural studies and religion."--BOOK JACKET. This is the first full-length study of the extraordinary period of intense poetic activity in Belfast known as the Ulster Renaissance - a time when young Northern Irish poets such as Seamus Heaney, Derek Mahon, Michael Longley, James Simmons, and Paul Muldoon began crafting their art, and tuning their voices through each other. Drawing extensively upon new archival material, as well as personal interviews and correspondence, The Ulster Renaissance argues that these poets' friendships and rivalries were crucial to their autonomous artistic development. The book also sheds new light on the idea of a collaborative Belfast coterie - often treated derisively by critics - and shows that the poets frequently engaged in efforts to promote a cohesive 'Northern' literary community, distinct from that which existed in London and Dublin. It suggests that it was this cohesion - at turns inclusive and confining - which ultimately challenged the Belfast poets to find their individual voices. 'I have lived in important places, times When great events were decided . . .' By turns comical, grouchy and exalted, and including his tragic masterpiece 'The Great Hunger', some of the key poems by the writer who transformed Anglo-Irish verse. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space. A unique guide to enhance and enrich your enjoyment of classical music, this book is for music lovers who want to better understand the works of the masters. This book details the problem with corporate management practices in higher education, the contributors combine analysis with case studies to illuminate the ways in which academic labor battles are being fought at the national, state and local. The Nothing That Is and the Nothing That Is Not is the final volume in a trilogy on interpretations of otherness in the postmodern era. The first two volumes are A Do-It-Yourself Dystopia: The Americanization of Big Brother (University Press of America, 2002) and Leopards in the Temple: Selected Essays 1990-2000 (University Press of America, 2001). In reviewing the modern Irish writer's career and works, the author examines the controversies that marked his life. The latest collection of poetry from the award winning writer. Presenting a thorough, comprehensive theory of spiritual capital based on solid academic research, 'Spiritual Capital' serves to reinforce and amplify the notion of a moral economic core that is beginning to feature in contemporary economic arguments. In this rare major work wholly dedicated to the subject of spiritual capital, Sam Rima explains the desperate need for revolutionary and transformational thinking in the area of economic policy and practice and makes the case for a new moral foundation to business and economics that directly addresses today's financial and business crisis. Writing in an accessible style, and drawing on examples from several continents, Rima explains spiritual capital theory in terms of the resources needed for its creation, how it is formed, how it can be invested and what the return on investment can be. The book provides practical tools for measuring a personal or organizational store of spiritual capital, along with clear guidelines on how to engage in spiritual capital formation. These will benefit business leaders interested in developing viable and sustainable enterprises capable of avoiding the disconnection between economic policy and social reality. There are also recommendations here for policy makers regarding the macro application of spiritual capital theory. This important contribution to Gower's Transformation and Innovation Series will appeal to business leaders and policy makers, academicians and students in the fields of sociology, theology, and economics, and anyone interested in social and economic justice issues, social innovation, and corporate social responsibility. agendas, with a prominent one being literature. Through literature, the voices of political parties and ideals can enlighten those in the present, and can even be preserved for centuries to come. Ideological Messaging and the Role of Political Literature provides a detailed study of how contemporary political messages are portrayed and interpreted via the written word. Featuring relevant coverage on topics such as literary production, women in politics, identity, and travel politics, this publication is an in-depth analysis that is suitable for academicians, students, professionals, and researchers that are interested in discovering more about political messages and their effects on society. My part of Ireland had a poet at one time, a poor ragged fellow whom no respectable person would be seen talking to, but he left doors open as he passed. Time hardly mattered in the village of Mucker, the birthplace of poet and writer Patrick Kavanagh. Full of wry humour, Kavanagh's unsentimental and evocative account of his Irish rural upbringing describes a patriarchal society surviving on the edge of poverty, sustained by the land and an insatiable love of gossip. There are tales of schoolboy skirmishes, blackberrying and night-time salmon-poaching; of country-weddings and fairs, of political banditry and religious pilgrimages; and of farm-work in the fields and kicking mares. Kavanagh's experiences inspired him to write poetry which immortalized a fast-disappearing way of life and brought him recognition as one of Ireland's great poets. Carol Ann Duffy has invited fifty of her peers to choose and respond to a poem from the past. With up-and-coming poets alongside more established names, and original poems alongside the new works they have inspired – Paul Muldoon, Vickie Feaver and U. A. Fanthorpe, for example, engage with classic works by Philip Larkin, Emily Dickinson and Christina Rossetti – the result is a collection of voices that speak to one another across the centuries. Teasing, subverting, arguing, echoing and – ultimately – illuminating, *Answering Back* is a vibrant, fascinating and timeless anthology, compiled by one of the nation's favourite poets. We need to learn to worship God in every area of our lives: at home, at work, in our cars . . . everywhere. Worship doesn't happen automatically; we must make some choices that will bring a real difference to our focus on God during worship. Most of us spend more time training on how to work at our computer than how to worship our Creator! For worship to stay both restful and revitalizing we must: Get the BIG picture right Do the LITTLE things well Let worship leader Rick Muchow guide you into a deeper worship experience with spiritual insight and practical advice, so you can share more fully in praise of the Father. One of the most traumatic episodes in the poet Patrick Kavanagh's life was played out in public over two weeks in February 1954. By suing *The Leader Magazine* for defamation, Kavanagh initiated a sensational courtroom showdown with John A. Costello, noted barrister and twice Taoiseach of Ireland. The country was electrified as Costello's masterful, relentless cross-examination dissected Kavanagh's public and private life, and revealed the tensions within Dublin's literary circle in the 1950s. When Kavanagh took the case against *The Leader* he could not have anticipated either the furore it would cause, or that the strain of the trial would shatter his considerable confidence and damage his health. "Few poetic forms have found more uses than the sonnet in English, and none is now more recognizable. It is one of the longest-lived of verse forms, and one of the briefest. A mere fourteen lines, fashioned by intricate rhymes, it is, as Dante Gabriel Rossetti called it, "a moment's monument." From the Renaissance to the present, the sonnet has given poets a superb vehicle for private contemplation, introspection, and the expression of passionate feelings and thoughts." "The Art of the Sonnet collects one hundred exemplary sonnets of the English language (and a few sonnets in translation), representing highlights in the history of the sonnet, accompanied by short commentaries on each of the poems. The commentaries by Stephen Burt and David Mikics offer new perspectives and insights, and, taken together, demonstrate the enduring as well as changing nature of the sonnet. The authors serve as guides to some of the most-celebrated sonnets in English as well as less-well-known gems by nineteenth- and twentieth-century poets. Also included is a general introductory essay, in which the authors examine the sonnet form and its long and fascinating history, from its origin in medieval Sicily to its English appropriation in the sixteenth century to sonnet writing today in the United States, the United Kingdom, and other English-speaking parts of the world." --Book Jacket. A journal of Irish studies. With five Nobel Prize-winners, seven Pulitzer Prize-winners and two Booker Prize-winning novelists, modern Irish writing has contributed something special and permanent to our understanding of the twentieth century. *Irish Writing in the Twentieth Century* provides a useful, comprehensive and pleasurable introduction to modern Irish literature in a single volume. Organized chronologically by decade, this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected. It embraces all forms of writing, not only the major forms of drama, fiction and verse, but such material as travel writing, personal memoirs, journalism, interviews and radio plays, to offer the reader a complete and wonderfully varied sense of Ireland's contribution our literary heritage. David Pierce has selected major literary figures as well as neglected ones, and includes many writers from the Irish diaspora. The range of material is enormous, and ensures that work that is inaccessible or out of print is now easily available. The book is a delightful compilation, including many well known pieces and captivating "discoveries," which anyone interested in literature will long enjoy browsing and dipping into. Antoinette Quinn's acclaimed biography of Patrick Kavanagh, the most important Irish poet between the death of W.B. Yeats and the rise of Seamus Heaney, tells the triumphant story of his journey from homespun balladry through early journal and poetry publications to his eventual coronation as one of the most influential figures in Irish poetry. Kavanagh (1904–1967) was born in County Monaghan, the son of a cobbler-cum-small farmer. He left school at thirteen to work the land but continued to educate himself, reading and writing poetry in his spare time. In 1929 he began contributing verses to the *Irish Statesman* and was soon publishing in Irish and English journals. His first collection, *Ploughman and Other Poems*, appeared in 1936 and was followed by an autobiography, *The Green Fool*, in 1938. In 1939 he moved to Dublin where he spent the rest of his life as a freelance writer and as part of the social and literary scene, keeping company with a gifted generation of writers, among them Flann O'Brien and Brendan Behan. He gained recognition as an important literary voice with his long poem 'The Great Hunger' in 1942. Further collections and the novel *Tarry Flynn* appeared in the following decades to growing critical acclaim. Published to widespread praise, *Patrick Kavanagh, A Biography* traces Kavanagh's publishing history as well as revealing what he was writing in the long interval between his books. This engaging, well-researched account of his daily professional life as a writer, his revisions and redraftings, his negotiations with publishers and editors, dispels the view that he was an untutored, gormless genius visited by an occasional flash of inspiration. *Patrick Kavanagh, A Biography* is the definitive account of Patrick Kavanagh's life and work and should be the standard for years to come. *Patrick Kavanagh, A Biography: Table of Contents*
