Had me guessing to the end!' 5* review **BOOK TWO, YOU WILL NEVER BE FOUND, NOW AVAILABLE FOR PRE-ORDER!**

Cold War, Cool Medium Apr 29 2021 Conventional wisdom holds that television was a co-conspirator in the repressions of Cold War America, that it was a facilitator to the blacklist and handmaiden to McCarthyism. But Thomas Doherty argues that, through the influence of television, America actually became a more open and tolerant place. Although many books have been written about this period, *Cold War, Cool Medium* is the only one to examine it through the lens of television programming. To the unjaded viewership of Cold War America, the television set was not a harbinger of intellectual degradation and moral decay, but a thrilling new household appliance capable of bringing the wonders of the world directly into the home. The "cool medium" permeated the lives of every American, quickly becoming one of the most powerful cultural forces of the twentieth century. While television has frequently been blamed for spurring the rise of Senator Joseph McCarthy, it was also the national stage upon which America witnessed—and ultimately welcomed—his downfall. In this provocative and nuanced cultural history, Doherty chronicles some of the most fascinating and ideologically charged episodes in television history: the warm-hearted Jewish sitcom *The Goldbergs*; the subversive threat from *I Love Lucy*; the sermons of Fulton J. Sheen on *Life Is Worth Living*; the anticommunist series *I Led 3 Lives*; the legendary jousts between Edward R. Murrow and Joseph McCarthy on *See It Now*; and the hypnotic, 188-hour political spectacle that was the Army-McCarthy hearings. By rerunning the programs, freezing the frames, and reading between the lines, *Cold War, Cool Medium* paints a picture of Cold War America that belies many black-and-white clichés. Doherty not only details how the blacklist operated within the television industry but also how the shows themselves struggled to defy it, arguing that television was preprogrammed to reinforce the very freedoms that McCarthyism attempted to curtail.

Tempest Rising Apr 17 2020 As her seventeenth birthday approaches, half-mermaid Tempest Maguire will have to make a decision. Stay on land? Or give herself to the ocean? The pull of the water becomes as insistent as her attraction to Kona, a gorgeous surfer whose uncanny abilities hint at an otherworldly identity as well. And when Tempest does finally give in to the water's temptation, she finds that a larger destiny awaits her—and that the entire ocean's future hangs in the balance.

Pulse: A Siren Book Aug 14 2022 The sirens are back, but Vanessa may be the biggest threat of all . . . Nothing has been normal since Vanessa Sands learned that her sister was murdered by sirens - femme fatales of the watery depths - and that everything she believed about herself and her family was a lie. Vanessa has always told her boyfriend Simon everything. But she worries that if he finds out who - or what - she truly is, he'll run a mile. To make things worse, when Parker, Hawthorne Prep's resident charmer, shows an interest in her, she can't resist the siren's urge to stray. And on top of all this, she's trying to be strong for her parents as they come to terms with her sister's death. But personal problems must be put aside, because the Winter Harbor sirens are back for revenge. Now Vanessa must face her past and accept that she is just like her enemies - every bit as alluring and every bit as dangerous.

Ruby's Slippers Feb 20 2023 Ruby Lee has never downloaded an iTunes, heard of Facebook, nor seen a video on YouTube. Raised in rural Kansas with her mom as her best friend, she's cozy and content. But everything changes when she and her mom move to Florida to care for her grandmother, Nana Dottie. Ruby quickly realizes she's definitely not in Kansas anymore—the kids in her huge school are totally different. . .but her new life is not so bad. What is bad is the fifteen-year-feud between Ruby's mother and grandmother that shows no signs of ending. Will Ruby have to choose between her mom and her new life, which isn't looking so awful after all?

Forbidden Sea Jan 15 2020 When a mermaid attempts to lure her into the sea, fourteen-year-old Adrienne, who lives in a superstitious island community, must choose between the promise of an underwater paradise and those she loves.

Sissy Dreams: From Boyfriend to Girlfriend Oct 12 2019 Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

The Word Rhythm Dictionary Feb 08 2022 This new kind of dictionary reflects the use of "rhythm rhymes" by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

Cooking with Cats Oct 24 2020 A compilation of delicious recipes from radio's favorite cat lady - and some of the best crazy cat people cooks around.

The Colony Aug 02 2021 In 1979, as violence erupts all over Ireland, two outsiders travel to a small island off the west coast in search of their own answers, despite what it may cost the islanders. It is the summer of 1979. An English painter travels to a small island off the west coast of Ireland. Mr. Lloyd takes the last leg by currach, though boats with engines are available and he doesn't much like the sea. He wants the authentic experience, to be changed by this place, to let its quiet and light fill him, give him room to create. He doesn't know that a Frenchman follows close behind. Jean-Pierre Masson has visited the island for many years, studying the language of those who make it their home. He is fiercely protective of their isolation, deems it essential to exploring his theories of language preservation and identity. But the people who live on this rock—three miles long and half a mile wide—have their own views on what is being recorded, what is being taken, and what ought to be given in return. Over the summer, each of them—from great-grandmother Bean Uí Fhloinn, to widowed Mairéad, to fifteen-year-old James, who is determined to avoid the life of a fisherman—will wrestle with their values and desires. Meanwhile, all over Ireland, violence is erupting. And there is blame enough to go around. An expertly woven portrait of character and place, a stirring investigation into yearning to find one's way, and an unflinchingly political critique of the long, seething cost of imperialism, Audrey Magee's *The Colony* is a novel that transports, that celebrates beauty and connection, and that reckons with the inevitable ruptures of independence.
